Mr. WENTWORTH replied that he saw the Controller Mr. Wentworth replied that he saw the Controller of the Currency every day in the house talking and lobbying with members, while Mr. McCulloch, against whom he was lobbying, was where he ought to be, at his deek attending to his business.

Mr. Price thought that that was no answer to his question, and he insisted on an answer.

Mr. Wentworth suggested that the gentleman from lows would propose a resolution, calling for a Select Commitnee to examine into the matter.

Mr. Price submitted that until that was done, it was anjust to make a wholesale charre against a public officer who stood high in the estimation of the people.
